# BASIC INFORMATION

## CAMP DAY

Campers partake in an array of campus adventures every day. They play sports in our gymnasium and on our playgrounds. They swim in our sparkling outdoor pool under the watch of certified lifeguards. They enjoy a variety of enriching activities including art, music and activity time. Special events, scavenger hunts, campus carnivals, moon bounces, games, talent shows and Friday parties spark joy, curiosity and creativity for your child each week.

## CAMPER FILE

For all kindergarten graduates and above, a camper file must be completed prior to the first day of camp. Enrollment will not be valid until all forms have been received.

Your child's file must be completed no later than the 2 weeks before their first day of camp. These documents are required by the Virginia Department of Education to complete your camper's enrollment:

- Online Registration Form.
- A signed copy of our Parent Handbook Agreement Form.
- A Virginia School Entrance Health Form completed by camper's primary physician.
- Official proof of identity such as your child's birth certificate or passport.

## TRANSPORTATION

Bus transportation is available for an extra fee for campers living along the bus route. Please indicate if you are interested in transportation on the online registration form.

## CAMP HOURS

Our summer camp programs operate from 9:00 AM to 3:30 PM, Monday through Friday.

In service to families, before-camp care is offered free beginning at 6:45 AM.

After-care from 3:30- 6:15 pm is available for \$100 per week.

# PROGRAM OPTIONS

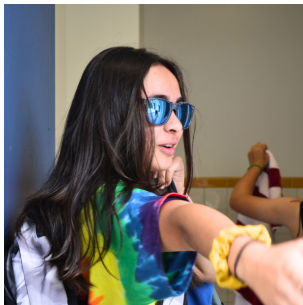

## SUMMER CAMP

This is our traditional summer day camp filled with creative activities, outdoor play, daily swimming, special events and field trips! Our summer camp program is open to **rising 1st through 8th grade students**.

## CLASSROOM CAMP

Combining academic enrichment with classic summer fun for **rising 1st through 8th grade students**. Participating campers will work on grade-specific skills and enjoyed project-based learning activities. Then, after morning studies, campers will resume an afternoon full of play, laughter, and poolside fun. Classroom campers will join in on all field trips and may not have academics on field trip days.

## COUNSELOR IN TRAINING

This program offers special training opportunities for **rising 9th -10th graders**. CITs will serve as mentors to younger campers and will have opportunities to plan and participate in service projects throughout the summer.
